### **LIMITING THE HOURS IN THE FITNESS CENTER**

In order to comply with the Volusia County Lighting Ordinance, during the Sea Turtle Nesting Season from May 1 through October 31 each year, the Association must prevent lights from shining on the beach.

Therefore, at a meeting of the Board of Directors, to be held April 8, 2011, beginning at 4 p.m., consideration will be given to closing the Fitness Center from 8:30 p.m. until 6 a.m.—during the Sea Turtle Nesting Season. Limiting the hours accordingly will prevent the association from having to install blinds in Fitness Center.

Members are invited to attend the meeting, or furnish comments prior to the meeting—for the Board's review.
